

## Child Care for PCS Program

### About the program:

The Child Care for PCS Program is intended to provide assistance for families in the process of a PCS move. The Air Force Aid Society will pay up to 20 hours of child care (per child) in certified Family Child Care homes on Schriever AFB, Peterson AFB and off base locations.

### Who's eligible?

The program is open to all ranks if childcare spaces are available. Only active duty Air Force personnel may participate. The family must be on PCS orders and request a certificate within 60 days of their departure from or arrival to Schriever Air Force Base.

### How do I get my PCS certificate?

You can pick up your PCS certificate from the Schriever Airman & Family Readiness Center. You will need to bring a copy of your PCS orders. (Building 101, next to ENT Credit Union)
