MILITARY VOTING

The Federal Voting Assistance Program is for all military voters, spouses and dependents, and overseas civilians. All can use the SF 76 (Federal Postcard Application) to register to vote in their home state, to request a ballot, or to update personal information, including mailing address. If you are stationed in your state of legal residence, or wish to establish residency in the state in which you are stationed, you can register and vote locally.

DEPLOYING PERSONNEL

Meet with voting assistance office staff before deploying for 30 days or more. You can obtain an FPCA or Federal Absentee Write-In Ballot to bring with you to ensure you have an opportunity to request a ballot from your state of legal residence or to complete a write-in ballot if your state/county ballot does not arrive in time. Be sure to visit when you return home to update your mailing address for upcoming elections.
